Profile. Swiss Australian Academic Network

The Swiss Australian Academic Network (SAAN), originally conceived as Swiss Academic Network Melbourne (SANM), aims to capitalize on the existing interest of academics from the two countries to foster and expand the bilateral exchange of academics at various stages of their professional careers and based on both countries' outstanding contribution to science and technology and being home to numerous internationally recognized academic institutions of excellence. On a local level SAAN is keen to foster the network idea among academic of different fields and within different states and to highlight achievements of Swiss in Australia and vice-versa.

SAAN is a grass-root organization which is open to Swiss and Australians who have connections to, or interest in, Switzerland; for this purpose SAAN has representatives in each Australian State who are very keen to support the SAAN vision in their own states with appropriate activities.

One of the major goals of SAAN is to reciprocally raise awareness and profile of the two countries and their relevant academic and non-academic entities among the best and brightest to expand on the exchange of excellence. At the same time, SAAN is keen to also encourage connectivity between academics in Switzerland with like-minded Australians who wish to broaden their professional knowledge. This will ensure that SAAN can act as a network and resource hub for people seeking exchange opportunities within the academic environment between Switzerland and Australia.

In Australia, SAAN enjoys the full support from the Embassy and Consulate General of Switzerland and will continue to build on already existing official memoranda of understanding signed between the National Health and Medical Research Council of Australia and the Swiss National Science Foundation as well as those being in place between individual Universities in the two countries. Pending additional sponsorship support (from Industrial, Private or University sectors) and in the fullness of time, SAAN will establish structures for financial support (studentships, fellowships, travel bursaries etc.) that encourages, facilitate and direct such exchanges on all levels.

For further information please visit the website (www.saan.id.au) or contact SAAN at info@saan.id.au.

Dear Readers,

The Swiss Club of Victoria owns a three-story building in the heart of Melbourne offering excellent facilities as a meeting/dining place for both private and corporate functions. Business people and visitors alike can enjoy traditional Swiss food and hospitality in a unique setting.

The club is also a favourite meeting place for Swiss and friends of Switzerland alike. Guests and visitors are always welcome. The club restaurant is open for lunch from Monday to Friday and for dinner from Wednesday to Friday. Roger Moullet, our well known chef and restaurant manager will serve you a treat!

You don't have to be Swiss to become a member of the Swiss Club of Victoria. Membership not only entitles you to benefits such as reduced restaurant prices and access to club facilities and functions but it is a wonderful way of meeting people, networking, and making friends. Members of the committee will be happy to answer any questions you may have. Email us at swissclubvic@swiss.org.au.

The club is run by a committee that meets twice a month. By the time you read these lines, the Annual General Meeting will have taken place which will change the make-up of the committee. I will step down as president having done the job for the last two years. It is a planned rotation to allow other members to have a crack at it, too. It was a great experience to be able to serve the club and its members and I thank everyone for their friendship and support.

Going forward April through to August will see plenty of action at the club with the Melbourne Comedy Festival taking place from 29th March to 29th April 2009. For more information please visit the website www.comedyfestival.com.au. Some of the events include the Ladies Luncheon in May and July, the very popular Unterhaltungsabend organised by the Swiss Folk Dance Group Alpenrose, Jass and movie nights, a billiard competition, and in August our traditional lantern procession for families with young children and the Swiss National Day dinner.

In addition every first Thursday of the month, Kapelle Gruezi Mitenand featuring the fabulous John Wanner invites you to an entertaining evening. It is a perfect opportunity to experience Swiss Folklore. Bring your friends along and do not forget to book!

For updated information on Swiss Club happenings please visit our website swiss.org.au/swissclubvic.

The Swiss Club of Victoria looks forward to welcoming you at the club or at one of the many fantastic events.

2009 is an important year. It will be 60 years since the Dance Group was formed. We have started practicing at the Club on Tuesday nights. We would like to keep the Swiss tradition in folk dancing alive. But we do need more members to succeed.

The group will travel to Brisbane over Easter. We have received an invitation to participate at the National Folks-tanzfest, organised by the Bruecke, National Council of German-speaking Clubs and Organisations in Australia and New Zealand and the Alpenrosen Dance group German Club in Brisbane.

Please mark the Unterhaltungsabend, Sat 9 May in your diary:
- Three course dinner
- Music: Kapelle Gruezi mitenand
- Tombola with lots of prizes
- Cost: \$35 p.p. (bookings must be made with the Swiss Club)

It is always a fun night. Please come and join in the fun and support the group at the same time. We look forward to see you at the "Jass nights" and the Unterhaltungsabend.

Sali mitenand; Gerry Dauth, has left us to continue his journey. He died peacefully at home on Monday morning, 16th February 2009, after a courageous two year fight with mesothelioma. Dear members and friends,

On the last weekend of summer, a few members ventured to Sydney where they joined the Yodellers on their annual harbour cruise. It was on a warm summer night with pleasant company, where we experienced from our moving vantage point, the city slowly turning into a sea of lights and reflections. The boat took us into many of the harbour's inlets before passing Darling harbour, then the harbour bridge and the majestic Opera House. It was an experience we will remember for a long time and is well

worth it for anyone to consider in the future. Thank you to the Sydney Yodellers for letting us join your event.

Recently, a wonderful evening was had on Sydney's magical harbour for the yodellers annual harbour cruise. It was the month of the cruise liner and we were fortunate enough to see two of them. The weather was perfect, decorations and ambience could not have been better. We welcomed the Consul General and Vice Consul, together with their families on board, the president of the Swiss Club in Canberra, "de Schwoerglis", Chrigo and Urs who came from Melbourne to entertain us and Sigi who played his accordion on board for the last time. There were also over 100 other special people on board.

In May, we will be joining the Swiss Club and Dance Group Alpengruess for a dinner dance at the Austrian Club and we look forward to singing for the seniors at one of their lunches in the future.

A new look Swiss National Day Celebration for 2009 is in the planning stages, combining other Swiss groups and compatriots. The event will be held at the Capuchin Franziscan Seminary in Plumpton on Sunday, 2 August 2006. Make a note in your diaries now.

The New Year has started well. An Opera House Concert/Harbour Cruise is planned for early June. Watch out for the invite or contact Ursula Mooser who is always willing to listen and who would like to hear from you also, if you become aware of compatriots that may require some assistance and/or simply want a friendly chat in Schwyzerdütsch. We shall be present at the Seniors Luncheon on May 23rd at The Eiger and July 2th at the Concordia Club.

Gruezi, bonjour, buongiorno, g'day to all Swiss in South East Queensland.

We had a great start into 2009 with our inaugural Fasnacht celebration / Maskenball at the Swiss Club. For a first-time event we had a great turn-out and everybody made the effort to be dressed up in a fancy costume and contributed to a real fun night. Surely this event will stay on our calendar and we are looking forward to a few more "Schnitzelbanks" next year.

We now also have a very active Swiss German Playgroup in Brisbane and we meet every 2 weeks at different playgrounds and in these hot summer months we usually meet where there is a swimming pool to cool down. We are also planning to start more formal German class for our littlies and if you are interested please get in touch with me.

Don't forget that Raclette and Fondue Nights are always big hits, so book early to avoid disappointment!

Jass, every second Thursday. Contact Hans Heer on 07 3844 6529

Tennis, every Wednesday night from 7:30 pm in Fairfield. Call Marc on 07 3899 8996.

Please check our website to find more information about our bushwalks or any other ad-hoc activities. As usual we invite anybody with a Swiss connection to come along to any of the events. There is always a real mix of nice people you can meet and mingle with.

If you have any questions please do not hesitate to contact me or any of the committee members.

We kicked off our club year with a picnic under the shelters at Maroochy Bushland Gardens. It was great to catch up with everyone after the holidays despite the damp weather!

Join us and enjoy the company of your fellow Sunshine Coast Swiss families for our upcoming events: bushwalking in April, a fondue night when it gets cooler and a 1st August celebration in the country.

We now have our own website under www.swiss.org.au/scsc with contact details, reports of our past functions and an online joining form. Please ring our club president to discuss any questions you may have or contact us via email. We look forward to hearing from many more.
