Personal achievement, camaraderie and goodwill: Swiss Armed Forces at the world’s largest international marching event

— SILVIA SCHOCH

There are several reasons why the steady number of around 240 men and women of the Swiss Armed Forces continue to voluntarily participate at the 4 Day March in Nijmegen, The Netherlands, every year during summer.

Colonel Edgar Gwerder, Commander, Swiss Armed Forces Marching Group, points to the athletic achievement of marching forty kilometers a day for four days with ten kilograms of weight on the back.

“Strong cameraderie is forged in shared experience within the unit of the Swiss military”, he continues, “and also with the other military participants from around the globe”. Spending time together on and off the marching trails, the developing camaraderie has many a soldier return year-after-year to an event that attracts 5,500 military personnel and 40,000 civilians from 100 countries.

Dutch people love the event! They camp & pic-nic along the way with their extended families, cheering on the marchers, supporting them with water and fruit. The Swiss Forces are highly regarded and the men and women warmly welcomed. The Netherland Government builds a protected camp in a nature reserve and provides the infrastructure to house and feed the peacefully united Armed Forces of 29 countries. Much interaction and shared events are taking place during opening and closing ceremonies of the military camp, but also arises spontaneously during evenings and marching hours. Colonel Gwerder adds: “This special environment facilitates face-to-face exchanges across the ranks from ordinary soldier to three star General. It is a unique experience in the world of military, which gives rise to much positive connection.”

Participants encounter commemorative WWII sites daily. In fact, Operation Market Garden at the end of WWII took place in this region. Groesbeek Canadian War Cemetery with 2,100 Canadian and 267 unidentified soldiers is located en route. For sixty years, the Swiss Armed Forces halt their march at the cemetery to honour the fallen soldiers of WWII.

Out of respect, the marching soldiers polish their dusty boots. Solemnity is shining on their young faces as they regroup. With Canadian Generals and Swiss Brigadiers present; with the Cantonal Police band of Berne playing a moving chorale, each of the Swiss Armed Forces Men and Women plant a long-stemed rose into the soil of one of the soldier’s graves. A hush has fallen over the assembled and many a tear is gleaming in an eye. Photos from forty years ago show the cemetary bare of flowers. Today, the graves are framed by fragrant rose bushes!

Per chance, the author met a young Swiss female soldier who is a dual citizen Switzerland/Canada. She is very proud to be part of this march and ceremony and introduced herself to the Canadian General and Swiss Brigadier.

At the time of this writing, it confirmed through the Canadian General, that Major Gustave Daniel Alfred Bieler, expatiate Swiss, fighting for the Canadian Armed Forces during operation Market Garden in WWII, has been identified as being buried at Groesbeek Cemetary. The fallen major turns out to be a relative of the Swiss Chaplain who held the commemorative speech at this very ceremony.

Consulate General of Switzerland in Vancouver – Jungbürgerfeier Class of 2000

For the second consecutive year the Consul General of Switzerland in Vancouver, Mr. Pascal Bornoz, invited the young Swiss residing in Alberta, British Columbia, Saskatchewan, the Northwest Territories and Yukon to celebrate their 18th birthday—age of the legal majority in Switzerland—to the residence of the Swiss Confederation.

With over seventy guests attending including 18 Swiss youngsters coming of age, their parents, a handful of proud grandparents, two delegates of the Organisation of the Swiss Abroad as well as several representatives of Swiss societies and businesses, the event organized on June 24th, 2018 was a great success. As some of the guests said upon leaving: "a day to remember".

Following a welcome greeting by the Consul General, Mrs. Claudia Thomas, Head of the consular section, made the members of the Class of 2000 aware of the rights and obligations of a Swiss citizen living abroad. Mrs. Thomas encouraged the young adults to actively contribute to shaping the future of Switzerland and to be part of local community life.

During lunch with traditional meats, raclette, salad and dessert buffets, the young adults completed a fun quiz about Switzerland. Thanks to our generous sponsors, Switzerland’s leading leisure travel airline Edelweiss and Lindt & Sprüngli (Canada), four members of the Class of 2000 were able to take home fantastic prizes: two huge Lindt gift baskets full of chocolate for the runners-up and a return ticket from Vancouver to Zurich on Edelweiss Air for the two winners. The Consul General also thanks Switzerland Cheeses, Switzerland Tourism and the band "Rocky Mountain Alphorns" for their contribution to the success of this event. It was inspiring to interact with guests and members of the Class of 2000 and to learn about their achievements, passions, plans and aspirations!

Consulate General of Switzerland in Vancouver sponsors “Our Cityride”

The Consulate General of Switzerland in Vancouver sponsored a group admission to the “Our Cityride” (https://www.facebook.com/ourcityride/) on August 18th.

Twenty-two fellow Swiss representing various Swiss organizations and friends of Switzerland met at David Liam Park to enjoy the happy, easy going atmosphere of this great family event celebrating the spirit of local communities. It was a fun mass bike ride around the city and Stanley Park. Although moving slowly, the crowds alongside the streets were cheering us on, responding to the sounds of bike and cow bells from cyclists. We are hoping to organize this event again next year with an even bigger turnout!

Regardless of the hot weather for the last few weeks, there has been a lot of activity at our Club, with shooting competitions and social events.

On the May long weekend the Feldschiesenen and Feldstich were held with good participation. On Father’s day, June 17, the ever popular Bruno Huber shoot took place with an excellent steak dinner to follow. Our special invited Guests, Armin and Vreni Meier were presented with a long overdue honorary membership. A big thank you in form of the “Verdienstmedallie” was presented to Frank Suter sen. for his continued landscaping work around the Clubhouse. He is spending numerous hours on the property to keep it in top shape.

The Mountain Range match was held on July 15 in the morning and the Volkschiessen in the afternoon. We could have used a few more non-shooters as we always get paired up with an experienced shooter. It was a fun event nevertheless with a barbeque to end the day.

In preparation for the National Day celebration we held a very well attended work party on July 21, so on July 28 the club house looked its very best, decked out with Swiss and Cantonal flags and beautiful flowers. With approximately 400 visitors and 71 children taking part in the “Lampion Umzug” it was a great celebration! Please check out the photos on our website: www.scmra.ca. A big thank you to all volunteers!

We look forward to the annual Schützenfest on October 6 and 7 and the Saushoot on October 21 which ends the outdoor shooting season. Mark your calendar for the Jass-tournament on October 28.

We hope to meet many of you at these upcoming events!

Our hot summer started off with our June event, taking us to Kitchener’s Bingeman’s Mini Golf Park. Despite the weather, we had several members join in for a fun game, and most managed to finish just before the rain started. The summer BBQ took place in August. It was the perfect opportunity to cool off and enjoy the company of good friends, food and traditional Swiss music. There were many delicious salads and desserts shared from mum’s “secret” recipes to new first time tries; - our club members are happy to be taste testers!

We have many time-honoured classic club events coming up to round off the year. Our fall hike at the end of September will take us to The Forks of the Credit Ontario Park. We look forward to having you join us for a breath of fresh air and to enjoy the natural beauty of Southern Ontario.

To balance out that activity, we hold our cozy cheese fondue evening on October 20th at Arkell Church Hall.

We host our Wald Weihnacht on December 8th. The evening will start off in the forest with carols and a tale of our club traditions surrounding our Wald Weihnacht. We have already sent the date to Santa and he has promised to make an appearance once again this year and bring along some goodies for all the good boys and girls.

This is the last club article for the year. We have enjoyed planning out all of the events and hope that all members have enjoyed attending them.

On July 29th we celebrated the 70th Anniversary of our Swiss National Day party – and what a great celebration it was!

Close to 500 people gathered for the official part, which was presented by president Urs Egli and included performances by our various musical groups and several speeches by our guests of honour. It was very special to have five people on stage that attended the first Swiss National Day party in 1948: Frieda Kellenberger (Hug), Stefan Seiler, and Joan Stadelmann with her two sons, Louis and John. Seventy years later, they were able to tell us about those first gatherings at the Hug Farm in 1948 and at the Seiler Farm in 1949. Amazing!

Conratulatory greetings from Ottawa were brought by our MP John Nater, a Swiss descendant, who fondly shared some personal memories of past Swiss National Day celebrations.

Swiss consul, Raoul Imbach, who is also known as “The Singing Diplomat”, conveyed best wishes from the Consulate in Montreal, and delighted the crowd with the rendition of one of his songs. Musical entertainment and lots of activities for all ages made for a fun-filled afternoon.

A beautiful quilt, depicting something special of each canton was hand-crafted by Sonja Gutzknecht and received much admiration, while a photo exhibit about the past seventy August First celebrations invited people to chat and reminisce about the past. And last but certainly not least – there was dancing!

Thank you to all who contributed to this special anniversary celebration and to all who came out in such great numbers to make this a very memorable day!

**Upcoming Events**

- September 15: Jodler Stubete, Rec. Complex Milverton

Montreal  Matterhorn Swiss Club

To the 65th anniversary of the Matterhorn Swiss Club in 2018, we travelled by motor coach to Magog where we enjoyed a three-hour cruise on beautiful Lake Memphremagog. After a delicious lunch on-board we had time for a leisurely walk around town. Our next stop was an informative tour and wine-tasting at the L’Orpailleur Winery in Dunham. A souvenir wine glass for everyone will remind us of an enjoyable day!

During this trip, we celebrated the 90th birthday of one of our honourary and very long-time members, Fritz Gaggioli. Fritz has been a member since shortly after the formation of our club.

We are pleased that over twenty members and friends volunteered at Mont-Sutton and helped to make the Swiss National Day celebrations a success!

In mid-August our annual summer picnic and barbeque was held at the Pfister residence on île Cadieux. About fifty members and guests attended, and we had a social afternoon of chatting, playing Bocce and enjoying getting together. Some former members were able to join us and it was nice to re-visit! Dinner included assorted grilled sausages with a nice variety of pot-luck salads, and dessert consisted of fruit, the usual Nussgipfel as well as a special cake baked by our member Willy Suter of “Two Bite Sweets”.

The club holds 5 or 6 events or outings each year, and we are pleased to say they are always well-attended. New members are always welcome.

Überleben am Red River

Annabarbi stellt sich vor sie hin: “Wirst du heiraten, Elisabeth?” “Gehst du weg mit einem Mann?”, fragt Chigi erschrocken. Es ist die Mutter, die antwortet. “Falls Elisabeth heiratet, geht sie nicht weg mit dem Mann, sondern unsere ganze Familie wird mit ihr in sein Haus ziehen.”

Mit packenden Schilderungen aufgrund sorgfältig recherchierten Fakten erzählt Therese Bichsel in ihrem Roman “Überleben am Red River” vom Schicksal der Emmentaler Familien, die aus ihrer Schweizerischen Armut in die “Kolonie des Rhoten Flusses” auswandern.

Während zahlreiches Material über männliche Mitglieder Schweizer Auswandererfamilien vorlag, war es der Autorin wichtig, auch Frauenschicksale so vollständig als möglich zu schildern.

Zwangsheiraten wie ungewohnte Freiheiten: auf Grund persönlichen Recherchen vor Ort in Manitoba, in der Schweiz und durch Archive in Grossbritannien sowie zahlreiche weitere Quellen lässt die Autorin in ihrem Roman ein lebendiges Bild einer wahren Schweizer Emigrationsgeschichte packend aufsteigen.

Die meisten der 140 erhaltenen Aquarelle und Zeichnungen von Peter Rindisbacher können heute in der National Gallery of Canada eingesehen werden. Eine Ehrentafel zu seinem Gedenken ziert noch immer die Colony Street in Winnipeg.

Das Roman kann per Mail (bestellungen@zytglogge.ch) oder über die Webseite www.zytglogge.ch bestellt werden. Zytglogge Verlag beliefert Buchhandlungen weltweit, so dass der Roman auch über kanadische Buchhandlungen bestellt werden kann.

Pierce Huser, winner of two return airline tickets sponsored by Edelweiss Air at last year’s Jungbürgerfeier at the Consulate General in Vancouver, is seen on this photo whitewater kayaking the Verzasca River. Pierce recently returned from Switzerland with his cousin and spontaneously accepted to share some milestones of their journey with the readers of “Swiss Review”.

After landing in Zurich, we took the train to Berne where we had the chance to experience Swiss culture. We saw the parliament building and explored cool parts of the city. Afterwards, we met with Swiss friends and drove to the Ticino to explore the famous Verzasca River, one of the most beautiful places I’ve ever been! We were stunned by the gorgeous scenery of the Swiss Alps and crystal clear river water of the Verzasca.

Continuing on to Italy, we explored the rivers of the Piemonte region. After eating lots of pizza and other incredible foods in Italy, we travelled north into Austria to check out some cool rivers in Schladming. Returning to Zurich by train, we relaxed and enjoyed the rest of our vacation, eating delicious cheeses and tasting new beers. It was a truly amazing experience travelling to new countries with such rich culture. Thank you very much to everyone who made it possible!

Ottawa  Ottawa Valley Swiss Club

Swiss National Day celebrations in Ottawa, Canada’s Capital, are always eagerly anticipated by young and old alike, and Swiss and Swiss-at-heart. This year’s event was no exception. The Ottawa Valley Swiss Club hosted the national day celebration at the historic Billings Bridge Estate on July 29th. The evening started out with lovely hot weather and not even a short downpour could dampen anyone’s spirits.

Children enjoyed trying to open up the sweet-filled Swiss Pinata, challenging games of tug of war against the adults, and an enchanting lampion parade at dusk. A tombola with wonderful Swiss prizes, stone throwing competition and delicious Bratwurst, Cervelas and Wähe made for a memorable day.

The Honourable Ambassador, Dr. Beat Nobs, toasted to the evening and to Switzerland while the Montagna Singers Choir sang the Swiss National Anthem. A toast of Swiss white and red wine was enjoyed while everyone caught up with old friends and made new ones.

It is with sadness that we bid farewell to Dr. Nobs and his wife Dr. Irene Knöpfel Nobs. On behalf of the Ottawa Valley Swiss Club, we thank them and wish them all the best!
