Oceania Swiss Club Presidents' Conference 2018

Saturday, 29 September. Saint Ignatius' Riverview College, Sydney. Organised by the Council of the Swiss Abroad representing Oceania. Hosted by the Swiss Club of New South Wales.

The Oceania Swiss Club Presidents' Conference 2018 coincided with the 50th Anniversary of the Sydney Yodlers and was held at the expansive campus of Riverview College on Sydney Harbour. 38 participants, including five from New Zealand and many VIP presenters attended. The morning session was reserved for relaying various messages from the Swiss government representatives to our region of Oceania.

The afternoon session brought various subjects to the forum such as the perennial fight of the Swiss Abroad with Swiss banks, old age pension payments and resulting tax problems, health insurance and e-voting.

Another topic stresses the importance of managing the archives of the Swiss Clubs in Oceania in an orderly way so as to ensure their survival and availability for future research. Other topics on the agenda were 'Good Practice for sharing children's photos online' and the establishment of an umbrella organisation for all Swiss Clubs in Australia in a way similar to that already in place in New Zealand and other countries. The idea

and proposal was discussed at length and the advantages of having such an umbrella organisation has been highlighted by some Club Presidents. The idea will be discussed further among Swiss Club members and their committees so as to ensure a broad-based approval. One of the main objectives of the meeting was to foster the interchange between the Club Presidents. It was noted with pleasure that some Swiss Clubs with new and dynamic young Presidents are achieving a positive increase in membership numbers.

The meeting concluded with an invitation from the Swiss Clubs in New Zealand to host the next Oceania Swiss Club Presidents' Conference which will be held on 16-18 October 2020 in Auckland.

The generous sponsorships in particular from the Swiss Community Care Society in Sydney and from the Swiss Club of NSW was gratefully acknowledged.

Preceding the conference was a relaxed harbour cruise for conference participants and their partners, and Swiss Yodlers from all corners of Oceania. Tunes usually heard in the Swiss mountains sounded across Sydney Harbour which presented itself to great advantage in the benevolence of a balmy evening on the water.

The meeting finished with a magnificent Gala Dinner and fantastic showcase of Swiss folklore 'made down-under'. The overseas guests in particular, were amazed at the variety of the program and about the Swissness of all the presentations. It was a delight vocally as well as visually.

Community News and Events

PNG: Joyful inmates celebrate

On 23 November, 42 inmates at the prison camp Baisu near Mt. Hagen had good reasons to look back and be proud of their investment in their personal life. They finished 15 Bible study lessons based on 'the Book of Acts' with teachings of life core values. The TEE program (Theological Education by Extension) was initiated by our church in 1998 and transformed many lives. 17 former inmates serve in different churches as pastors today.

On the occasion of the 20th TEE graduation, the anniversary was celebrated with a 'Hagen Cake' – a popular delicacy in PNG.

NZ: Taranaki Swiss Club

On 11 November our Patron, Lou Butler, celebrated his 85th birthday, so a pot-

luck lunch was held in the club house to honour this special occasion. Lou really enjoyed seeing some members of the Taranaki Swiss Club in attendance to help him celebrate. He has been an amazingly loyal and dedicated

member for many, many years. Lou, we really appreciate all that you have done for our Club, and wish you many more happy and healthy years in our midst.

The Ted Napflin Memorial Shield was competed for on 18 November with a good attendance. Participants could also take the opportunity to do the Championship Shoot with many doing so. The winner of the Ted Napflin

Memorial Shield this year was Peter Arnold (senior) – congratulations for a good shoot, Peter.

We held our Christmas Shoot on 25 November with a relatively good adult attendance. Erna organised Christmas activities for the few children who came along, and after a delicious pot-luck lunch, Father Christmas arrived, much to the delight of the children who kindly sang a couple of carols. Father Christmas was impressed by their creativity in decorating Christmas trees, and then distributed his presents. Prize-giving from the shooting/keglen competition was done, with the mystery prizes always greatly anticipated by the participants. Many thanks to Mark for organising this fun, social day; you do a terrific job!!!

Charlie Werder giving a 'thank-you' present to Father Christmas.

Upcoming Events:

7 & 21/2: Keglen recommences after the Christmas break, with Heidi always enjoying the company of any new competitors. These evenings, starting at 7.30pm, are always fun, with plenty of laughter and chatter, a bit of sport and a delicious supper.

9/2: The semi-final of the Cowbell Competition against our friends from Wellington will take place today. A lunch will be provided before the earnest part of the day, the sporting competition, commences. A dinner with our Wellington friends will be held, and we would love as many of our members as possible to attend. These are always fun occasions, with heaps of reminiscing, fun and laughter.

10/2: The biggest day on our Club calendar is the annual picnic...always the second Sunday in February. All

things Swiss will be happening – music, schwingen (Swiss wrestling which is always a great attraction), tombola (raffle), barbecued Cervelas and Bratwurst, and plenty of activities for the children. Parents/grandparents do come along and bring your children/grandchildren for this terrific day, which is always well-organised. A great day to catch up with friends, and make new acquaintances. The Kaponga Swimming Pool is just behind us, so people are more than welcome to use it. We really look forward to seeing you all!!!

4/3: Our Taranaki Swiss Club Annual General Meeting will be held. Come and hear how the past year has panned out, and what is in store for the coming year. We look forward to your attendance, and members having their input.

7 & 21/3: Keglen again at 7.30pm...come along and have some fun!!!

17/3: The small bore shooting will be hosting the Society/Championship Shoots from 1.00pm. Come along and give it a go. Mark is more than happy to help coach the juniors, so come along parents/grandparents and encourage your children to take up this sport.

NZ: Hamilton Swiss Club

Our Family Christmas Party was held on Sunday 2 December at the Newstead School. We had a very big turnout of all ages and it was great to see everyone spread the Christmas cheer by bringing along baking and raffle prizes, buying raffle tickets and joining in on singing some Christmas Carols. The club provided grilled Bratwurst and Cervelats to enjoy and the children had the opportunity to decorate home-made cookies and do crafts to take home. After lunch Santa arrived and handed out

presents to the little ones. This was followed by the raffle draw and a huge selection of afternoon-tea.

Upcoming Events:

23/2: 50 metre Medal Shooting Competition at Elmiger's Property in Karapiro.

24/2: Family Picnic at the Newstead School.

29-31/3: Weekend of hiking and socialising on Mount Ruapehu.

NSW: Swiss Yodlers of Sydney

2018 was not a usual year for our choir. It has been, a year of celebration – 50 years of Swiss Yodlers in Sydney! A special committee was formed to ensure the success of the 50 years celebrations. And proudly we like to look back and say, “es hätt sich glohnt, all de ufwand”.

It was an event where we not only celebrated 50 Years of Swiss Yodlers, but also Swiss Culture in Oceania with our friends, choirs and musicians from as far as Perth, Auckland, Brisbane, Melbourne and Canberra and our closest friends the Swiss Folks Dance Group Alpegruess Sydney.

Over 300 people attended the festivities, which started on Friday, 28 September with a very ‘gemütliche’ harbour cruise, and a very late night with singing and lots of merriment!

A city tour of Sydney on Saturday was organised for all participants to see the highlights of our great city. The grand finale was of course the Gala Dinner on Saturday night. A fantastic night or as some said, a ‘Mini-Jodlerfest’. The singing, the music, the entertainment, the food, the lovely decorated hall, and the perfect organisation contributed each to make this a very special night.

We also had the honour to have no less than three Ambassadors present: the Ambassador of Switzerland to Australia, Pedro Zwahlen and his wife the Ambassador of Switzerland to the Pacific Islands, Yasmine Chatila Zwahlen, as well as the Ambassador of Switzerland to New Zealand, David Vogelsanger. And last but not least, the Consul General of Switzerland, Bernadette Hunkeler Brown was also among our VIP guests. Completed was the long guest list, with the attendees of the CSA Oceania Swiss Club Presidents' Conference, which took place on Saturday at the same venue.

The event festivities closed on Sunday morning with a family brunch on site of the St. Ignatius College in Lane Cove. Smiling faces, happy moods and some last Yodler songs ensured a lasting memory.

We like to thank all the people involved, the guests, friends, supporters and tireless efforts of the committee to make this event a success. See you again on the 100 years celebrations!

No, no, don't panic, you don't need to wait that long! Please join our traditional harbour cruise on Sunday, 24 February, from 2 to 6pm. Free parking will be available at Huntley Point wharf. We look forward to see you there. Infos can be found on our website www.swissyodlersofsydney.org. Please note also that due to the heavy bookings on the Castle Hill Showground, we had to move the Swiss National Day Celebration forward to Sunday, 28 July. Same place, same times, same food, same happy day with Swiss style celebrations at its best.

No booking is required if you like to come to our 'Casual Friday Lunch' at the Concordia Club in Tempe. We meet there at about 12:30 on the third Friday of the month. Just look for the table with the little Swiss flags. You order your meal and drinks individually and enjoy the company of some Swiss friends. We might even have enough people there who would like to play a Jass!

We would also be happy to find new volunteers. We bring a little Christmas cheer to the homes of over 200 elderly Swiss in NSW. Those who live in or near Sydney are being visited; those further away receive their present by mail. Again call one of the above numbers if you like to be a visitor.

The aim of SCCS is to keep in touch with Swiss people. Please tell us if you have a relative, friend or just acquaintance that is unknown to us.

NSW: Cercle Romand

We wish all our friends and members a Happy New Year 2019.

A merry group of members gathered at 'The Little Snails' restaurant in Pymont to celebrate the end of the year

The committee has planned some nice events for 2019 and as usual, the details for each event are published on the club website www.cercleromand.com.au where location, time and booking information can be found.

The first event for 2019 will be our now traditional '**Pétanque & Brunch at the Park**'. It will be held on 3 February at Ballast Point Park, Birchgrove. Winners will have their name engraved on the 'Paul Lambert Perpetual Trophy' and will receive complementary

Our **camping weekend** is planned on 22-24 March. This year we will be returning to the Glenmack Park, at Kangaroo Valley. It is a beautiful region located a couple of hours south of Sydney. There are plenty of things to do and to explore.

Our May event this year is '**Raclette at the Park**', on Sunday 19 May at Bobbin Head. May is the beginning of the cool months in Sydney and the best time to enjoy a raclette, a glass of wine and good company in this beautiful park by the water.

The committee thanks all its members for supporting these events and looks forward to seeing you in the coming months.

The page provides you with a broad spectrum of news and targeted information, sometimes exclusive, on the Swiss presence 'down-under' and in the nations of Kiribati, Nauru, Papua New Guinea, Solomon Islands, Vanuatu as well as regional facts.

In line with the Federal Department of Foreign Affairs (FDFA) (www.dfae.admin.ch/eda/en/home.html) strategy for social media, the presence on social media complements their traditional channels of communication. In particular, the presence on Facebook in general aims to alert the audience to information, services, events, and contacts available on their official websites. It is also a channel whereby they can directly contact and reach parts of the audience interested in all things Swiss and Australian.

The online program includes news relayed from official sources, such as Presence Switzerland (www.dfae.admin.ch/eda/en/home/fdfa/organisation-fdfa/general-secretariat/presence-switzerland.html), the FDFA's competent unit for the image of Switzerland abroad and its information portal House of Switzerland (houseofswitzerland.org), the FDFA's Interactive Blog (www.interactive.eda.admin.ch/blog/default.aspx), or relevant news from Swiss and Australian media outlets, and of course news, photos and videos curated by the Embassy and the Consulate specifically for their Facebook presence. New stories are in development for 2019 and will dive into the essence of the Swiss-Australian relations: the people.

The Embassy of Switzerland in Australia and the Consulate General in Sydney invite you to join them on Facebook @ [SwissEmbassyCanberra](https://www.facebook.com/SwissEmbassyCanberra) and to engage in English, German, French and Italian and share your opinions with its growing online community.
